

Meeting of the Great Lakes Panel on Aquatic Nuisance Species

May 14-15, 2019 | Cleveland, Ohio

Decision and Action Items

Draft: June 20, 2019

GLP Executive Committee (ExCom) and Staff

- Staff will develop and circulate action items and a summary of the May meeting
- Staff will post presentations from the meeting to the GLP website (pending presenter approval): <https://www.glc.org/work/glpans/meetings>
- Staff will develop and circulate a poll for fall GLP meeting dates
- Staff will work with the ExCom to plan the fall GLP meeting
- Staff will post and distribute GLRI funding fact sheets
- Staff will distribute the 2018-2020 GLP work plan
- GLP Chair will confirm that the priority invasive fish list developed through the interstate surveillance plan was shared with John Dettmers/Invasive Fishes Executive Committee
- Staff and ExCom will develop an outline and process to update the GLP priority documents
- Staff and ExCom will develop key messages and publicize Great Lakes AIS Landing Blitz event
- GLP ExCom will establish an organisms in trade ad hoc committee
- GLP ExCom will consider opportunities for the GLP to inform development of the Great Lakes and Invasive Species Program
- GLP ExCom will consider developing a summary of GLP member activities to include in GLNPO's Great Lakes and Invasive Species Program report to Congress for 2019
- GLP coordinator will follow up with GLFC law committee to coordinate on law enforcement priorities from Nov 2018 breakout sessions
- Staff will revise the Basin-wide species regulatory analysis proposal based on GLP discussion

GLP Members

- Provide date preferences for fall meeting via distributed Doodle poll
- Send fall meeting agenda requests to ExCom members and/or the GLP Coordinator
- Beta test GLANSIS Risk Assessment Explorer (<https://www.glerl.noaa.gov/glansis/raExplorer.html>) and Species Explorer (<https://www.glerl.noaa.gov/glansis/raT2Explorer.html>) and provide feedback to Rochelle Sturtevant (rochelle.sturtevant@noaa.gov)
- Send Asian Carp Webinar Series topic ideas to Invasive Species Centre (DNisbet@invasivespeciescentre.ca)
- Provide updates for GLANSIS invasive species experts database: names and contact information for public reporting, risk assessment, genetics
- Review of accuracy of existing species data in GLANSIS, including regulations and distribution
- Assist in developing key messages and publicizing Great Lakes AIS Landing Blitz event

Risk Assessment Ad Hoc Committee

- NOAA GLANSIS staff will develop a user testing process for the clearinghouse, testing functionality and ease of use, including targeted user feedback questions once we get solid results on the clearinghouse
- Staff will confirm that risk assessment authors are comfortable having their contact information online
- Staff will formally document ideas for next areas of development and how the products of this committee can be used to inform those areas and partner work

- Staff will draft risk assessment committee closure memo
- Committee members will share completed risk assessments with Invasive Species Centre
- GLP ExCom will add clearinghouse updates as a standing agenda item to the GLP business section

Grass Carp Ad Hoc Committee

- Committee members will provide comments on the draft grass carp enforcement questionnaire
- Staff will work with Jill Wingfield to distribute final grass carp enforcement questionnaire and compile responses prior to fall GLP meeting
- Staff will distribute informational materials to Grass Carp Ad Hoc Committee members:
 - Ohio fact sheet
 - Updated table of grass carp regulations by jurisdiction
 - Final CGLFA letter on diploid grass carp policies
- Staff will communicate grass carp outreach priorities to ACRC Communications Work Group for further action as needed
- Staff will draft grass carp committee closure memo
